Finals:

To play in finals matches, a player must have played at least three matches for that team during the current season.

In exceptional circumstance and to avoid a match being forfeited, permission may be sought from the supervisor or netball office to play an ineligible player. Such permission must be granted before the player takes the court.

Players may play for one team only in finals of each competition.

The **State Membership** Fee is determined annually by Netball Victoria and covers members for a twelve-month period being January 1st to December 31st of the given year. State registration is compulsory for all players.
